Features Key:

Character Customization Tons of Active and Engaging PVP! A Unique Story A Vast World

Garden of Tali

Another original chapter of the Tarnished Prince series that began in "The Tarnished Prince". Each adventure requires players to fight against monsters, find hidden secrets, and unravel the truth behind the mystery of the Land Between.

Exclusive post-game content!

Making new friends : All players will receive in-game character and equipment related to the Rank of a guild member in the Nether, which is a new way to make new friends that's more exciting than sending in-game gifts. New events: New quests and daily quests will take place following the battle, where the story of the Nether evolves and event evolves and event the arena battles themselves become different. New themed guilds, characters, and special events will appear, allowing you to enjoy the lands!

New Crafts: New crafting recipes will open after completion of seven of the seven standard tiers. You will be able to use the materials and resources you could only gather in the Nether during normal play to make new crafting items. The recipes will also include some surprises!

New Equipment: What's making you look lonely? The other guild members in Tarnished Prince can make new equipment based on the materials taken from the Nether!

New Items: New items related to the Nether will become available to you during the event! You will be able to use these items to make your character more eye catching and attractive.
